Little Memories, Lasting Love

A simple legacy activity for your family.

FREE CHRISTMAS FAMILY ACTIVITY

This Christmas, make a little room for a story. Think of a family tradition, a funny memory or something you learned from someone important to you.

Before you begin

You'll need one card and a pen for each person. Print page 2 single-sided at actual size (100%) on US Letter paper. Each sheet makes two cards. An adult can cut along the dotted line.

1 Choose a memory

Read the three prompts together and choose one. The memory can be funny, ordinary or meaningful; it does not have to be about Christmas.

2 Write or draw

Take three quiet minutes to write. A few words are enough. Younger children can draw on the back, or an adult can help them read the prompts and write down their words.

3 Share only if you want to

Read your story aloud, show a picture or simply listen. Anyone may pass. Keep the cards private unless their writers choose to share.

4 Keep the memory

Keep your card for yourself or, if you wish, add it to a family keepsake box. You can return to it next Christmas and add another little memory.

Little Memories, Lasting Love

A simple legacy activity for your family.
Choose one prompt. Write a little or draw on the back.

1. A family tradition I hope carries on is…
2. A story my family always laughs about is…
3. Something I learned from someone important to me is…

Keep this card. Sharing is optional.
